He was born July 11, 1912, in Lexington, he was the son of Albert and Sophia Gould. He was educated in Kingfield schools and moved to Portland during World War II. For 18 years, Mr. Gould was employed by the Honeywell Trucking Co. and for several more years by Cole's Express

It's Not All That Bad' Says Buteau After Checking Building

The city inspectors are also going to insist that a plumbing problem be taken care of in an area referred to as a sub-cellar, where over a foot of water has accumulated. Officials authorize a sewer main may be cracked and they had the water pumped out this morning in order to determine what caused the problem. Buteau said that he found another violation in the building but blamed a tenant for it. He found a live electrical wire which one of the tenants had hooked up himself with nails. Buteau stated this was a serious fire hazard and was apparently put up without the building management's knowledge.

Durham Resident Files Suit for \$60,000 As Result of Accident

A Durham resident has filed a \$60,000 suit against two residents of Cundy's Harbor, the result of an auto accident at Durham, July 2, 1971. The document is on file at the Androscoggin County Clerk of Courts Office. John W. Winn of Durham is suing Allan H. Doughty and Donald C. Webber, of Cundy's Harbor, contending he suffered "great pain of mind and body" and permanent injuries.
