## Burton L. Hirsch FUNERAL HOME

We have grown since we first started to serve the Jewish community in 1947.

Our facilities have been expanded and modernized to provide more comfort and, at the same time, more privacy. Our chapel will accommodate from 30 to 500 people, and we have a new family room to assure privacy during services. We also have a number of rooms, both large and small, where friends may be received.

Always attentive to tradition, we are especially gratified that we have developed greater understanding in serving the bereaved.
