

Roosevelt Hospital Gets A Development Director

Sargent, Boston
Ernest F. Gamache

The appointment of Ernest F. Gamache as director of development of the Roosevelt Hospital was announced yesterday. He has been executive director of the American Foundation for Tropical Medicine, Inc., and the Liberian Institute of the foundation, two nonprofit organizations established to assist and conduct research in tropical medicine.

Mr. Gamache was formerly campaign director for the John Price Jones Corporation and executive manager, secretary and director of the New York State Olympic Winter Games Commission. A graduate of Harvard College and the Harvard University Business School, he lives in Westport, Conn.
