"and the field and the cave..."

The Bible teaches us that it was Abraham who initiated the Jewish tradition of providing a final resting place for our loved ones. "And the field and the cave that is therein were made secure unto Abraham for a possession as a burial place."

Beth Shalom Cemetery

In keeping with this tradition, Congregation Beth Shalom has made it one of its sacred duties to provide consecrated grounds for its congregants and the Jewish community of Pittsburgh.

We all know that physical life has its limits. Judaism teaches that the soul is "bound up with a bond of eternal life." It is therefore an act of faith, devotion and love to provide a hallowed resting place for our dear departed.

We suggest that those who have not yet availed themselves of the services offered now think seriously of the purchase of a family plot during their lifetime. For further details, please contact Robert Fischer, Executive Director, 421-2288.
